Valuable Information To Start Concerning Hamlin Public Schools

The Hamlin School Board has requested me to write a series of three articles presenting to the tax payers of the Hamlin Independent School District specific information concerning the organization, operation and conditions of the Hamlin schools.

The first of these articles will deal with the organization of the school board and its duties. It will also attempt to analyze the capital investment of the schools and try to show the possibilities the board has of paying its capital obligations. Finally at this time it will give the policies that the board believes must be followed if we are to continue to successfully operate our schools.

The second article will outline the current annual expenses with consideration being given to operation costs, maintenance expenses and salaries. An analysis will be given to show the sources of our money to meet these expenses. We shall try to relate these expenses to our debt service expense presented in the first article that you may have a complete understanding.

The final exposition will discuss the operation or inner-working of the schools. It will give the subjects taught, a discussion of values, and the relationship of teachers to the board, the administration and the pupils.

It is the hope of the board to bring about a better understanding of the public for its schools and to give the tax payers a better appreciation of the school's problems. It is my hope that you may find these presentations interesting and informational.

Finally, at this time we wish to express to the editor of the Hamlin Herald and his force our appreciation for his co-operation in this work. We also, would like to thank him for the splendid support he has given us in the past, particularly in regards to our school paper of the past year. We feel that it was of great benefit to us.

G. R. Bennett, Superintendent
Hamlin Public Schools

NOTE: The Herald will welcome the articles dealing with the Hamlin School District. This series will likely start next week.

J. T. Sipe, Corporal in the 60th School Squadron at Kelley Field, San Antonio, came up last Thursday night for a short visit with his parents, Mr. and Mrs. G. T. Sipe. J. T. has been in the airplane Mechanics Department for nine months. He has built up in pounds till all his first clothes are too small for him.

Mrs. Floyd Carlton of Winnfield, Louisiana, came up Saturday to visit with her mother, Mrs. H. C. Walker and others in Hamlin.

Long-Term Loans To Buy Farms To Be Made By F S A

Loans with which worthy tenant farmers may buy family-size farms are again to be made in Jones County, according to an announcement received today from George L. von Roeder, Farm Security Administration supervisor.

For the 1941-42 year, Jones County has been designated by Secretary of Agriculture Claude R. Wickard as one in which this program will operate. Loans which bear three per cent interest and are repayable over a 40-year period are to be made to worthy tenants, sharecroppers, and farm laborers to establish themselves on their own land. "This program is very important now that we are engaged in this defense work," Mr. von Roeder said, "Ownership of land by people who farm it is a good defense against foreign 'isms' as well as possible invading armies."

Loan applications may be had from the Farm Security office located in the Post Office building, Anson, Jones County, Texas.

Both white and negro farmers are eligible for these loans.

Wild Steers and Horses At Anson Rodeo 14th

Fifteen head of wild Brahma steers arrived at Anson Tuesday from down near the border for the first performance of the Jones Co. Rodeo, to be held in Anson Saturday, June 14th. Several head of bucking horses are expected the last of this week. Charles Stephens and Burl Pruitt are managers and owners of the rodeo stock. The parade will begin at 1 o'clock and the rodeo starts promptly at 2 o'clock. Several hundred people are expected in Anson for this event.

B. L. Pitcock, a Hamlin boy who is making good down in Houston, came up last Friday to smile at his old Hamlin friends and to visit his parents, Mr. and Mrs. J. S. Pitcock on Route 3, Anson. B. L. is a book-keeper-timekeeper for the Brown Root Construction Co. in Houston.

Miss Lulan Vaughan is visiting her sister, Mrs. H. V. Harwood at Mexia, Texas.

Cowgirl sponsors, representing the various towns and cities, will have a place on the official program of rodeo events at the Texas Cowboy Reunion July 3, 4 and 5. All judging in the sponsors' contest this year will take place in the arena at regular performances, thus giving greater prominence to the towns which they represent.

Four prizes will be awarded, 1st prize being a handsome saddle, 2nd, a pair of hand-made boots, 3rd, riding bits, and 4th, a pair of spurs. Judging will be based 60 per cent on the girl, her personality counting 15 per cent, riding togs and equipment 15 per cent and riding ability 30 per cent. The remaining 40 per cent is on her horse; which is scored 10 per cent on conformation and appearance, 10 per cent on equipment and 20 per cent on performance.

Besides their part in the rodeo program, the girls will ride in the big parade on July 3 and in the grand entry for each rodeo performance. The sponsors will be entertained with the annual sponsors' ball on the night of July 3, two open dances on July 4 and 5 and a chuck wagon dinner on July 5.

Appointments of sponsors are made by the chambers of commerce of the towns which they represent, or by the mayor, or the postmaster of such town. Appointments will not be accepted after July 1. Sponsors must be over 16 years of age. Former first prize-winners are not allowed to compete for prizes.

Mrs. Leo Walker, wife of the Stamford football coach, has been appointed by the directors of the Texas Cowboy Reunion as hostess to the sponsors for 1941. Miss Betty Jane Blackwell, daughter of Dr. and Mrs. A. Blackwell, has been appointed by the chamber of commerce as Stamford sponsor. She will not compete for prizes, but will assist Mrs. Walker in entertaining the visiting sponsors.

Miss Hope Cade Will Represent Hamlin At Anson Bathing Revue

Special to Hamlin Herald:

Hamlin will be well represented at the opening of Anson's \$60,000 municipal park next Tuesday night. Representing Hamlin will be the Hamlin High school band, Miss Hope Cade will sponsor from Hamlin and W. C. Russell will be one of the judges for the bathing revue.

The band will give a forty-five minute concert during the formal opening and then will be guests of the town for a swim.

Miss Cade will be Miss Hamlin for the revue and will also be guest at the sponsors' dance. She is the daughter of Mr. and Mrs. S. W. Cade and will be a senior in High school this coming term. She was Queen of the Freshman class, attendant to the Queen of the Junior class and was also secretary of that class, and is vice-president of the Junior Schubert Music Club, and will be president of the band.

Mr. Russell will serve with Ed Steward, president of the Abilene Chamber of Commerce, and J. Carter King, Jr., of Albany as judges of the bathing revue. Judge C. E. Coombes of Stamford will award the loving cup to Miss Anson.

BERRIES

Will have lots of ripe berries week of June 15-21; some are ripening late. They are large and easy to pick—no grass or weeds. Have peaches ripe for eating or pies. Early Wheeler peaches will be ready last of week. 2 miles south of Roby-Anson highway at Jones-Fisher Co. line. See our signs—follow electric line.

Stamford Sponsor for Texas Cowboy Reunion

Betty Jane Blackwell has been selected as Stamford's sponsor at the Texas Cowboy Reunion to be held in that city July 3, 4 and 5. Fifty or more towns and cities are expected to send cowgirl sponsors to represent them at the Reunion and to compete for the handsome saddle and three other prizes. Miss Blackwell will not compete for the prizes, but will assist in entertaining the visiting sponsors. She is the daughter of Dr. and Mrs. A. Blackwell.

BAPTIST CHURCH

Sunday is Father's Day. We urge every Father in Hamlin to attend church somewhere. You owe it to yourself and your family to attend services. We will have a special service at the morning hour for all fathers who attend our church. The pastor's subject will be, "A Father Who Failed." You should hear this message.

Sunday night we are having a very special service. The pastor is called out of town on a very special mission. (??? Having so many marriage ceremonies lately among our young folk!) He cannot return for the night service. Therefore, Bro. Harrell, pastor of the Methodist church, will bring his people over to the Baptist church; the choirs will be joined together, and Bro. Harrell will preach. We felt that such a service would mean a lot to our people, and trust that it won't hurt the Methodists to rub elbows with us. So, Baptists, be in your place next Sunday night. If you are thinking of going to see Grandma, wait until the pastor is at home. Join in this service Sunday night. It will do you good. Bro. Harrell, whom I have known for several years, is one of the finest Christian gentlemen I know. He will have a real spiritual message for you.

Sunday School—9:45.
Morning Worship—11:00.
Training Union—7:15.
Evening Worship—8:15.

Rotary President

Forrest Greenway to Denver Meeting

Next week Rotary International Convention takes place in Denver, Colorado. Hamlin Rotary Club will be represented by the new president, Forrest Greenway.

Greenway left Friday by special train that went through Abilene from the west to join Rotarians coming up from other points of Texas at Fort Worth.

This convention is perhaps one of the most outstanding of all International service organizations known in the world. Every country in the world will have representatives in Denver except those nations under control of Hitler. Rotaryism and Hitlerism point in opposite directions.

Forrest Greenway has been serving the Hamlin club for many years as Secretary, and perhaps no one in the club could bring back a better report of a convention than he can.

METHODIST CHURCH

JAMES E. HARRELL, Pastor

Sunday School, 9:45 A. M.
Morning Worship, 10:50.
Intermediates meet at 7:15 P. M.
Senior Young People meet at 7:15 P. M.

Our evening service will be held with the Baptist people at the Baptist church, with Rev. Harrell bringing the message.

Woman's Society of Christian Service, Monday afternoon at 4:00 o'clock.

Mid-Week prayer service Wednesday at 8 P. M.

Choir practice Wednesday night at 8:45.

The pastor's sermon subject Sunday morning is to be: "Things of Primary Importance." Sunday is Father's Day. We are anxious to have every father possible in the service. Help make the Father's Day service Sunday morning a great service with your presence.

Sunday night the pastor is to preach at the Baptist church where we will have a joint service with the Baptist people. Attend this service and let's have a wonderful time in this service with our Baptist friends.

A stranger, passing some mines in Pennsylvania, asked a little boy why the field was so full of mules. "These mules are worked in the mine during the week," replied the boy, "and brought up into the light on Sunday to keep them from going blind."

The application is apparent. Do not allow yourself to go spiritually blind. Come to church on Sunday and let the light of God's word shine into your heart.

We welcome visitors.

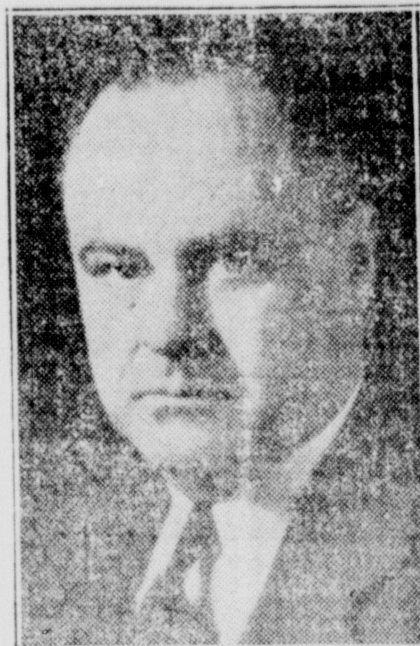

Vacation Church School

A Vacation Church School will begin at the First Methodist church Tuesday, June 17th at 8:30 o'clock. All children between the ages of three and fourteen are cordially urged to attend. Class work, construction work, devotional, and recreation will occupy the time from 8:30 to 10:30, daily for two weeks.

Laurence King returned last week from John Tarleton College where he finished a course in aviation. He received a private pilot's license and the badge of permit sets this typical young Hamlin boy off in modern style.

Mrs. Walter Smith and son Joe Bob of Gatesville, Texas, visited Mr. and Mrs. Henry Price of Boyd Chapel, last week.

USO DRIVE ON

E. B. GERMANY

As Southwestern chairman of the United Service Organizations for National Defense, E. B. Germany of Dallas is regional director of the nation-wide campaign to provide recreational and welfare facilities for soldiers, sailors, and defense workers.

Endorsed by the President and Army and Navy officials, the USO expects to raise \$10,765,000 to operate service establishments built by the Government. Texas' quota is \$400,000, and committees appointed to raise this fund began their drive officially June 3 in every Texas county.

Mr. Germany urged all citizens to contact local USO workers and participate in this patriotic movement.

Hamlin Student's Fire Poster Work Wins

Another honor comes to one of Hamlin's High school students, as Hope Cade receives a certificate of recognition for her fire prevention poster, in the state contest.

Sponsored by Miss Bernice Whiteley, three of our High school students submitted posters on how to prevent tragic fires. The three students drawing and submitting posters were Selma Hassen, Aaron Maloney and Hope Cade. This work is done in our regular courses on fire prevention taught in all the grades throughout the entire school. This teaching of fire prevention has a direct bearing upon the good fire credits that are extended to Hamlin, and means a saving of dollars and cents to the people of our city.

We appreciate this poster work and are proud to announce this recognition accorded Hope Cade by the State Fire Commissioners.

Rev. Geo. A. Nicholson Has Singing Class

Besides announcing services at the Calvary Baptist Church, which means

Sunday School at 9:45 A. M.
Preaching at 11 A. M. and 8:15 P. M.

Rev. Nicholson wants to invite lovers of good singing to be present at the final "sing-song" of a two weeks singing school in the Calvary Baptist church this Sunday night.

Prof. Bingham of De Leon, has been teaching various kinds of music and general mass singing the past two weeks and a very attractive program has been arranged for the last session, beginning at 7:45 P. M., Saturday night.

One or two numbers on the program will be in charge of the "Blind Singer," Mr. Will Address.

We urge you to attend our last program. Welcome to all.

Geo. A. Nicholson, Pastor

Miss Bernice R. Whiteley and her father, J. F. Whiteley, have returned from a visit with Mr. and Mrs. W. F. Binion and family at Commerce, Texas. Mrs. Binion, the former Beulah Whiteley, is a daughter of J. F. Whiteley.

What DO YOU Think?

O-O-O-O

MAYBE, YES, MAYBE

—Maybe you do not care to read "What WE THINK". If so then what "DO YOU THINK?"

—This is a day of thinking, and don't tell anybody you don't think. —The world is in need of calm thinking today as never before.

—Maybe we Americans become too over anxious about other peoples, and forget to keep up our own lines of "continuations." If we could but mold the world around us into our way of life and thinking, we would perhaps be better contented.

—We read what are considered fact stories about how other peoples of other lands live, act and die, and every American who has enjoyed our high standards of living, decency, and common sense, yearns to see other people enjoy the same and better privileges. Hence we become anxious.

—Some individuals, even here in Hamlin, take the position that what other people do is no concern to us. The world around us NOW is so interwoven by a thousand kinds of strings till no man who thinks can truthfully say that "It is no concern of mine."

—It does matter to YOU what kind of life others live and what they expect in their long hereafter . . . even their religion is of concern to every other person as well as to themselves. Your good intentions are affected by the intentions of those you must deal with, either close up or from far away. So our conclusion is that a high stage of civilization calls for deeper and deeper "anxiousness" about the world of peoples, even in other lands.

—The whole story ends up by saying that there are two ways of life . . . the way that has proved right and the way that has lead to the wrong. There is no argument. If a nation is tuned to the right it grieves the population to see others chasing ideals that lead to ruin.

RICHEY REVIVAL DRAWS CROWDS

Abilene, Tex., June 12 (Special) —The Raymond T. Richey revival launched here June 5 in a huge red, white and blue tent at South Third and Sycamore streets, almost immediately assumed the aspects of a state-wide meeting. Revival goers were soon registered from Sweetwater, Hamlin, Baird, Breckenridge, Cisco, Coleman, Anson, Albany, Brownsville, and Merkel. Friends arrived early from Oklahoma City, where Mr. Richey has conducted several campaigns, and two families came from Booneville, Ark. Wide-spread publicity is expected soon to overflow the big top. To meet this anticipated overflow, Evangelist Richey has ordered a 30-foot tent extension. This will make the big top more than 150 feet long. It is 80 feet wide.

The Richey meeting is described as a "patriotic revival." Special invitation has been extended to the men at Camp Barkeley. The Houston revivalist and prayer crusader has been a frequent visitor at the Camp, working among the trainees, and praying for the sick. Prayers for the sick are offered in impressive altar services at every Richey service.

Besides widespread newspaper publicity, the radio is being used. Every night this week at 8:15 o'clock, the Richey revival service is being broadcast from the tent over the Texas State network by KRBC.

Somebody Played Very Poor Joke

June 2, 1941

Camp Elliot, California

Dear Mr. Bowen Pope:

I have been intending to write you for a good while and have just decided after reading "Letter From A Hamlin Marine", in the May 30 issue of the Herald, that there is no time like the present to do so.

It seems like two of my shipmates at the Naval Training Station going through Dental School, have placed me "Behind the Eight Ball." For all concerned I will write giving the correct information. Please publish this letter in the Herald at the first chance and send a copy to W. B. Devers, HA1c, Dental School, Naval Training Station, San Diego, California.

All of the readers of the Herald please bear in mind that I did not write any of the letter in the May 30 issue, nor did I know anything of it until I read it myself.

Well friends, I hardly know just where to start so I'll just start writing. I did not join the Navy to be a salty sailor or to sail the seven seas. I joined the Navy because W. P. A. jobs were hard to get back in Texas. Ha! I, like a million others needed a place to eat and sleep and have a little spending money.

It is true that I am detached from the Navy and am now doing duty with the U. S. Marines. And I am proud to say that the statement "It is like putting a cat into a cage with a bunch of dogs" is untrue. Some of my best friends are Marines. I know several Marines that have a higher education and better morals and character than a lot of sailors that I know.

As for marching and hiking, I have done neither since last November. I am attached to a Medical Company and our duties are to operate a 72 bed hospital on the battle field.

As for "castor oil for blisters," treatment of patients is prescribed by our doctors.

About my making Chief in July or August is false. I have been in the Navy 19 months and it takes at least eight years to get that rate, if you never miss a promotion.

It is true that I am working at the Camp Dispensary, but I am not in charge of anything. I work under the supervision of our medical officer. I do not get extra money, and I work eight hours a day. My pay as a hospital apprentice first class, is \$54.00 a month.

I have not gained 27 pounds, but only 24, making me weigh a grand total of 182 pounds at the present time.

I am not mad at the joke but just thought that I would tell the home guards, the truth, so that you would not think that I am cheating the tax payers. May I add that this is a good life, and also that I earn my pay and keep.

Best regards to all,

"Bill" Norris

NOTE: Dear Bill:

Nothing makes a newspaper man "madder" than for some smart guy to play such a trick on them as was played in that "phony" letter we published on May 30, thinking it from one of our favorite sailor boys.

The Herald makes no apologies when we say that Bill Norris is one of the finest young men this or any other community ever produced. Sincere, honest, high-minded young man. Sending out letters under the disguise of some one else is a "poor" joke, which might get such a joker into trouble.

Bill, we thank you for your open, frank attitude.

Conoco Announces A New High Test Oil

Continental Oil Company started last week one of the largest newspaper campaigns in its history to introduce the company's newest product, Conoco Nth Motor Oil.

According to Will A. Morgan, advertising manager, newspapers throughout the most of the United States and of course including the Hamlin Herald, will receive the major portion of Continental's advertising budget to present Conoco Nth Motor Oil to the public. More than a million dollars will be spent by the company in newspapers alone during the next six months.

Continental's claims for its new oil include low motor wear, Oil-Plating, more miles between quarts, and a decided improvement in the reduction of lacquer and sludge, accomplished by the discovery in Continental laboratories of a new synthetic Thialkene Inhibitor.

Proof of these claims was dramatically illustrated by a daring destruction test carried out in Death Valley, where the hottest temperatures in the United States have been registered. Five identical stock cars, each lubricated with five quarts of a different well-known motor oil, and a sixth car, identical with the others and filled with five quarts of Conoco Nth, were all run over a course in Death Valley until each of the six engines was wrecked. The test was run under the impartial supervision of Prof. H. M. Jacklin, who during the academic year is Professor of Automotive Engineering at Purdue University.

At the end of the test, the car lubricated with Conoco Nth had run 13,398.8 miles on one crankcase full of Nth oil—73.67 per cent more miles than the closest competitor—161.17 per cent more miles than the first car to fail—and 111.29 per cent more miles than the average of all the other five cars.

The entire story of the Death Valley test will be told, with many illustrations, in the series of advertisements which will appear in this newspaper.

NOTE: Be sure to keep up with the story of the tests on Nth Motor Oil.

Mr. and Mrs. Wayne Harrison and family of Denver City spent the week end with her parents, Mr. and Mrs. C. W. Hilterbrand, and sister, Mrs. W. C. Carter.

U. S. Patent No. 2,218,132 tells exactly what is new about the new Conoco motor oil named

CONOCO Nth MOTOR OIL

5 quarts of this same new Conoco Nth oil that you can buy today, lasted 13,398.8 miles in a stock coupe—under lock and under scrutiny every minute.

13,398 miles up and down Death Valley. Sand and sagebrush. Lowest land and highest extremes of heat in our U. S. A.

5 other well known oils got the same chance as new Conoco Nth oil. 6 identical new cars were used. Tune-ups, tire pressures, speeds, and all other factors were the same for all—impartially. Engines were under lock. Qualified authorities eyed everything.

The test was simple and stern... Each car got its 5-quart fill of some one competing oil and was run at a 57-mile speed, without added oil, till the engine smashed up. New Conoco Nth motor oil went 13,398 miles. Certified. Not another oil came within 5,683 miles of that and one was outlasted 8,268 miles by new Conoco Nth oil. Certified.

The reasons are straight and simple... New, patented Conoco Nth motor oil contains Thialkene inhibitor, a new synthetic . . . man-made by Conoco.

Now an inhibition is something that restrains you—checks you. And Thialkene inhibitor checks the effect of poisons always formed in normal engine operation. Instead of "festering," weakening, and passing out, this oil is scientifically prepared to keep its health, so that the engine can do the same—a good way to keep up the oil-level.

OIL-PLATING, too!... Long the keystone of Conoco success, OIL-PLATING comes from another Conoco synthetic . . . (U. S. Patent 1,944,941). Magnet-like action bonds OIL-PLATING to engine parts, so it can't all drain down—not even overnight.

While you use Conoco Nth, this OIL-PLATING stays on guard against wear in advance! By OIL-PLATING the engine and inhibiting the worst effect of oil pollution, one fill of new Conoco Nth lasted 13,398 miles. Certified.

You'll not put your car through such a third-degree—any more than you keep starting in high gear just because you could. You'll certainly never want to exceed the recommended distance between crankcase drains. But knowing that new Conoco Nth oil lasted 74% to 161% longer than other oils tested, see how seldom you add a quart. At Your Mileage Merchant's Conoco station today change to your correct Summer grade of popular-priced new Conoco Nth oil. Continental Oil Company—Pioneers in Bettering America's oil with Synthetics

CERTIFIED I hereby certify that the Death Valley Test and related work were thoroughly and fairly conducted. Engine Destruction occurred in each case at the mileage stated.

Henry Ford Says:

More brains are needed today than ever before, although perhaps they are not needed in the same places as before.

The welfare of the nation is squarely up to us as individuals. That is where it should be; that is where it is safest.

Every important advance begins in a small way—and with the individual.

Diversity of outlet, of use and of financial enablement are the strongest defenses we can have against economic emergencies.

Everything is possible.

In spite of the great masses of men, the difficulty is not to find men who will advance but men who are willing to be advanced.

A country becomes really great when, by the wise development of its resources and the skill of its people, property is widely and fairly distributed.

To be trusted is a greater compliment than to be loved.

New 'Life Saver' for Premature Babies

FORD ENGINEERS HELPED DEVELOP THIS PORTABLE INCUBATOR

Through the combined efforts of Ford Motor Company engineers and Henry Ford Hospital officials at Detroit, a new low-cost portable baby incubator has been developed after 12 years.

Small and easy to handle, this "pigmy" life-saving outfit is expected to bring about a sharp reduction in the high infant mortality rate in rural areas. The portable incubator can be moved easily into isolated homes to help save the lives of premature babies.

Physicians all over the nation are looking with interest on the new unit because—compared to bulky incubators usually available only in large hospitals—it is small enough to be transported quickly in any emergency to isolated rural districts.

The outfit (shown above) is hardly larger than a clothes basket and fits easily on an automobile seat. It works when plugged into an ordinary light socket and can be set upon a kitchen table.

As a life saver for premature babies, this compact unit has been remarkably successful in Michigan. Twenty of the tiny incubators are strategically located in communities not able to purchase the larger ones and in sections not served by hospitals. Results are attracting wide attention.

As soon as arrangements can be made with a hospital supply company, the units will be manufactured and marketed on a larger scale, a Ford official said. The price will be held as closely as possible to actual cost—approximately \$100.

How to become A SKILLED DRIVER

By RAY W. SHERMAN
Courtesy of the

FORD GOOD DRIVERS LEAGUE

(EDITOR'S NOTE: We believe many motorists in this community would drive better if they knew better how to drive. In the interest of safety, we will publish from time to time excerpts from the book, "How to Become a Skilled Driver," written for the Ford Good Drivers League by Ray W. Sherman, noted authority on driving. These excerpts are reprinted through courtesy of the Ford Motor Company.)

**SKILLED DRIVERS NEVER STUNT**

Some drivers think skill behind the wheel consists in doing tricks with a car—driving fast, beating lights, gliding through "stop" signs or generally making the rest of the world miserable.

When a skilled driver watches one of these unskilled operators, he feels rather sorry. He sees a wonderful piece of machinery, glorious roads leading to lovely countryside, a driver with good intellect, good arms, good legs, good eyes. And he sees the whole picture marred because the driver never acquired real driving skill.

Some drivers think they're smart when they do tricks with a car. Actually, if a driver doesn't think right, he can't drive right.

NEW CARS AWAIT WHEAT HARVEST

These new Santa Fe Railway box cars stored at a country elevator indicate the preparation being made to handle the bumper 1941 wheat crop. The scene is typical throughout the southwest. Storage facilities for the new crop remain a big problem. Terminal elevators remain from 60 to 80 per cent filled with old wheat while a crop of 653,120,000 bushels is expected this summer.

Miss Geneva Albritton Becomes Bride of Mr. Leon Thurman

Miss Geneva Albritton, daughter of Mr. and Mrs. W. A. Albritton of Hamlin, and Mr. Leon Thurman, son of Mr. and Mrs. C. L. Thurman, of Anson, were married Saturday evening, June 7, at 7:30 o'clock at the home of the bride's parents.

The ceremony was read by the Rev. H. E. East, pastor of the First Baptist church as the couple stood under an archway between the living and dining room. The arch and pedestals at the sides were twined with vines and Queen Anne's lace, and silver bells hung from the center.

Mrs. R. H. Campbell and Miss Camille Smyers sang "At Dawning," accompanied by Mrs. Henry Albritton, who played the wedding music.

Given in marriage by her father, the bride was wearing a dress of Heavenly blue crepe with knife pleated skirt, a pleated bodice with sweetheart bows at the deep V-neck and fitted midriff. Her shoulderline veil was of illusion, falling from a white felt coronet hat with white grosgrain pompadour bows. The bridal bouquet was an old-fashioned nosegay of white roses and lilies-of-the-valley, nestled in illusion matching the veil, with white satin streamers sprinkled with blue forget-me-nots.

The bride was attended by her sister, Mrs. O. D. Roland, of Port Arthur, as matron of honor, and her niece, Mary Lee Roland, of Port Arthur, was the flower girl. Mrs. Roland wore a dress of dusty pink with a corsage of blue and white sweet peas, and Mary Lee wore a frock of pink taffeta.

Doyle Thurman, brother of the bridegroom, was best man.

A reception followed the ceremony. In the flower-decked dining room the table was laid with venetian cutwork and centered with the punch bowl, circled with a wedding ring holder filled with white feverfew and fern. Tiny silver bells topped the three-tiered wedding cake.

Mrs. Holly Toler presided at the punch bowl and Mrs. Tate May at the wedding cake after the bride had cut the first piece.

Mr. and Mrs. Thurman left for a wedding trip to Oklahoma City. She traveled in a navy sheer with allover shirred bodice in long torso style and gathered skirt, a navy pompadour hat, navy and white spectator pumps, and other accessories in pink matched by a shoulder bouquet of pink roses.

The bride attended Mary-Hardin Baylor College and Baylor University from which she holds a bachelor of arts degree. She also attended a summer session of the University of Colorado in Boulder. Since her grad-

uation from Baylor, she has been a teacher in the Hamlin Elementary school.

Mr. Thurman, a graduate of Anson High school, attended Hardin-Simmons University and Abilene Christian College. He is now marketing quota clerk with the Agricultural Adjustment Administration office in Anson, where the couple will make their home.

Out of town guests attending the wedding were Mr. and Mrs. O. D. Roland and family of Port Arthur, and Mrs. Celia P. Hyde, of Crowley, Louisiana.

Girl Scouts Picnic At Scout Hut

The girl scouts met at the Scout Hut Tuesday, June 10 for a picnic supper. They were presented with their badges by Mrs. York.

With badges fixed and the supper over, the girls were conducted to the picture show by Mrs. York, Mrs. Harvey, Mrs. Z. T. Wilson and Mrs. B. B. Colwell and Misses Constance Teague and Murle Carlton.

Scouts were: Frances Brunson, Lula Mae Hampton, Betty Rae Sellers, Mary Dena Huling, Betty Lou York, Juanita Elkins, Dorothy Gene Huling, Barbara Young, Naomi Ruth Young, Elizabeth Butcher, Jeanine Johnston, Bobbie Wilson, Margaret McBride, Joyce Culbertson, Shirley Moore, Patsy Ruth Gibson, Phala Davis, Lovena Kite, Juaneey Hamric, Bagnal Thurman, Margaret Ryan, Verna Mae Colwell, La Rue Kite and Garetta Durham. Visitors were Billie chambers and Betty Lou Waggoner.

Miss Velta Griffin Honoree for Gift Tea

Complimenting Miss Velta Griffin, bride-elect of Mr. Eugene Lawson of Stamford, Mmes. Eddie Jay, V. V. Anderson, Harold Bonner and R. B. Wiar were co-hostesses Thursday afternoon, June 5, when they entertained in the Jay home on Union Avenue, with a gift tea.

For the occasion the house was attractively decorated with snapdragons, sweet peas, Queen Anne's lace and pansies. The lace covered tea table was centered with a large crystal bowl filled with sweet peas in pastel shades.

Guests were welcomed by Mrs. Jay who presented them to the honoree, Miss Griffin, and her mother, Mrs. L. E. Griffin. Others in the receiving line were Mrs. M. L. Lawson and Miss Bobbie Lawson, of Stamford, mother and sister of the groom to be, and Miss Reba Tallison, also of Stamford.

Mrs. Harold Bonner directed to the dining room where Miss Eleanor Temple and Miss Lois Anderson poured punch. Assisting in serving were Miss Billy Faye Rountree and

Miss Bernice Beard.

Mrs. V. V. Anderson led the way to the gift room where Miss Craig-elene Elmore and Miss Anita Anderson were in charge, and the many beautiful gifts were displayed.

Miss Lola Mae Reynolds registered guests' names in the pretty hand made bride's book.

During the afternoon little Miss Beverly Ann Harvey entertained with appropriate readings.

Goodbyes were said by Mrs. Q Martin.

Sub-Deb Club Entertains Seniors

The Sub-Deb Club honored senior members of the club Monday evening, with a swimming party at the Anson pool and a picnic supper. Later in the evening the party returned to Hamlin and enjoyed a slumber party in the home of Joan Culbertson.

Chaperones were the club sponsor, Mrs. Frank Waggoner, and Mmes. Vera Nobles and Joe Culbertson.

Members attending were Marguerite Nobles, Herbie Faye Johnston, Maxine Poe, Marion Martin, Billie Faye Rountree, Joan Culbertson, Phala Davis, Hope Cade, Betty Abbott, Ruby Herr, Sara Jo Holder, and Laura Jean Crabb, of Deport.

Honored With Buffet Supper

Mr. and Mrs. Henry Albritton entertained Thursday evening, June 5, in their home on Central Avenue, with a buffet supper honoring Miss Geneva Albritton and Mr. Leon Thurman, whose marriage took place the following Saturday evening.

The home was decorated with varicolored summer flowers emphasizing the rainbow theme used in all appointments.

The dining table was covered with a white linen cloth and centered with a large mirror encircled with roses, larkspur and Queen Anne's lace. Across the mirror formed with flower petals were the names, "Geneva and Leon." White candles in crystal holders burned at each end of the table.

Following the supper games of bridge were played.

Those present were the honorees, Miss Albritton and Mr. Thurman, Mrs. James Beck, Miss Mary Boyd, Miss Nadine Morgan, Mr. and Mrs. Arlie Cassle, Mr. and Mrs. Weldon Johnson and W. L. Boyd, Jr.

Mrs. W. J. Brians has recently enjoyed an extensive trip into Arkansas, Tennessee and Kentucky. She accompanied Mrs. M. E. Hamer and Mrs. Sallie Wilson back to Memphis after they had visited in Hamlin. While away, Mrs. Brians visited in Hot Springs, Ark.; Memphis, Tenn., and Fulton, Kentucky.

Miss Mary Beth Moody left Thursday for Boulder, Colorado, to do special work in the University. She will be away six weeks.

Entertained With Breakfast

Among the pre-nuptial courtesies extended to Miss Geneva Albritton was a breakfast and kitchen shower Friday morning, June 6, in the home of Mrs. J. F. Taylor, with Miss Camille Smyers and Mrs. Jas. Beck as hostesses.

At the three tables centered with snapdragons in pastel shades, places were marked with white cards decorated with pink and silver wedding bells.

Guests were the honoree and her sister, Mrs. O. D. Roland, of Port Arthur. Mmes. Arlie Cassle, Henry Albritton, Q Martin, E. M. Wilson, Wyman Baxter, J. F. Taylor and Misses Nadine Morgan and Pauline Harrell.

Home-Makers Enjoyed Picnicing Last Week

Mrs. Vera Nobles, Mrs. Landon Davis and Mrs. Joe Culbertson played chaperones to the Home-Making Class and the instructor, Miss Smyers, on Wednesday of last week. They went to the Abilene State Park near Buffalo Gap. The day was spent in skating in the park rink and swimming in the nice pool.

In their return they passed the big Army Camp but few soldiers were seen. The day was all too short for Hamlin was made before sundown.

LOCAL BOY makes good

It happens regularly in the telephone company. Some boy who grew up in your neighborhood moves into a superintendent's or other executive's chair somewhere in the Bell System.

His big asset is his experience... his "know how"... often gained right in your home town.

Because Bell department heads and operating chiefs among them

have that "know how," they tackle today's telephone emergency, or tomorrow's telephone growth, with a direct knowledge of your town and your problems. They play a big part in our effort to give you good neighborhood service at rates that almost everyone can afford—and good nation-wide service as you need it.

O-O-O-O

Mr. O'Daniel is telling the people that Mr. Roosevelt has a gang of pussyfooting politicians gathered around him in Washington and that the President needs a man like him there to keep things straight. We wonder if W'Lee will be able to cram that kind of baloney down the

peoples' throats this time. Now isn't it just too bad that Mr. Roosevelt doesn't have any capable man to assist him. Take for instance: Tom Connally, Sam Rayburn, Martin Dies, Wright Patman, Lyndon Johnson and Jessie Jones, all from Texas, and we think these men are some of the ablest men in Washington. To hear the Governor spiel on the radio, you would think that the government at Washington is surely going to the dogs if we don't hurry and elect him to the Senate. How time changes everything. When Jerry Sadler was running for Governor, Mr. O'Daniel just had one fit after the other about Jerry holding one job and running for governor. And now folks, the Governor of Texas is doing exactly the same thing, but we guess it's all right for Mr. O'Daniel to hold his job as Governor and run for the Senate as he styles himself "the superman of all time." In other words, we imagine the man from Kansas believes he is another Moses sent to Texas to lead "us dumb belis" out of the wilderness. Isn't it funny, that the Governor never called our President GREAT until he announced for the Senate?

Walter Winchell took a pot-shot at Governor O'Daniel on his Sunday night broadcast, and we have always found Mr. Winchell to be a man that knows what he is talking about.

It looks as if the President is going to clamp down on strikes—and the majority of the people are behind him 100 per cent.

Mrs. Laura Woods tells us, that she sure did enjoy our letter to the editor of the Star Telegram on June 2, and said she wished we had signed her name to it. A lot of folks are sick and tired of the SOB stuff and O'Daniel promises.

Attention Women—

Important Meeting

Come to the Home Demonstration Agent's office, June 16th at 10:00 A. M.

Miss Myrtle Murry, Specialist in Home Industries and Extension Service, College Station (She was formerly District Agent over this county) will talk to women and girls who are interested in marketing better quality eggs. Bring a sample of the eggs from your flock if you want them graded; pick the eggs at random.

Whether you think you are interested or not, you will be benefitted by attending this meeting. Please be present and bring others with you. (They do not have to be club members; any one interested in marketing better quality eggs).

Looking forward to a large group, I am,

Very truly yours,
Jewell Hipp, Fisher Co.
Home Demonstration Agent

P. S. Also Miss Jean Stewart, State Home Demonstration Agent of Arizona, will be with us on the same date Miss Murry will be here.

Fisher County Girls' 4-H Club Rally Day will be held Wednesday, June 25, at the First Baptist church in Roby instead of June 18 as previously announced.

McCauley H. D. Club

Has Meeting

Clean and wash wheat thoroughly, states Miss Jewell Hipp, Home Demo. Agent, in her demonstration of "using whole wheat" in a meeting with the McCauley H. D. club, which met in the home of Mrs. B. F. Kemp June 4th.

Miss Hipp said canned whole wheat can be substituted for rice or macaroni and served with meats and gravy and used as a breakfast food. She also made grape-nuts and gave out a number of recipes to use whole wheat.

The next meeting will be with Mrs. Ray Maberry, June 19. Mrs. Barton will give a demonstration on uncooked pies and pastry.

Mrs. Celia P. Hyde of Crowley, La., and Mr. and Mrs. O. D. Rowland and children, of Port Arthur, were here last week to visit in the W. A. Albritton home and to attend the wedding of Miss Geneva Albritton and Mr. Leon Thurman. Mrs. Hyde and Mr. Rowland returned to their home Sunday and Mrs. Rowland and children remained for a longer visit.

Mrs. D. F. Griffin enjoyed a visit from her children, Miss Sylvia Dee Griffin, of the Kings Daughters Hospital in Temple, and Agatha, Ruby and Cleve of Abilene, and D. F. Griffin of Inks Dam the past week. A Mr. Gerald L. Stone of Ellwood, Pa., but now of Balboa Panama, Canal Zone, accompanied them.

H. O. Cassle returned Wednesday from Dallas where he visited his daughter, Mrs. Duffield Smith and family, and went through a clinic for a check-up. Mrs. Smith and sons, Duffield Jr. and Wade, accompanied him home for a visit.

Mr. and Mrs. A. H. Carlton and daughters, Mrs. Bill Rountree and Mrs. Henry Withers and children of Roby returned on Tuesday of last week from an extended visit in La. and Miss. They visited their son Floyd in Winnfield, La., and went on a sightseeing trip down to Natches, Miss., and then over to Port Arthur, Texas, to visit a brother, C. B. Raughton. Galveston and other South Texas points were also visited.

Reputation Builders

By Frances Lee Barton

TO those who wish a reputation as a cook and hostess, I submit the following recipe. It may call for a little time and effort, but it pays enormous dividends to its followers.

Individual Lemon Rolls
3/4 cup sifted cake flour; 3/4 teaspoon double-acting baking powder; 1/4 teaspoon salt; 4 eggs; 3/4 cup sifted sugar; 1 teaspoon vanilla.

Sift flour once and measure. Combine baking powder, salt, and eggs in bowl. Place over smaller bowl of hot water and beat with rotary egg beater, adding sugar gradually until mixture becomes thick and light-colored. Remove bowl from hot water. Fold in flour and vanilla. Turn into two 15 x 10-inch pans which have been greased, lined with paper to within 1/2 inch of edge, and again greased. Bake in hot oven (400° F.) 10 minutes. Quickly cut off crisp edges of cake. Turn out on cloth covered with powdered sugar; remove paper. Cut each cake into six pieces of equal size, spread thinly with lemon filling and roll. Wrap in cloth and cool on rack. Before serving, decorate rolls with rosettes and borders of sweetened whipped cream, using pastry tube. Makes 12 rolls.

For tea roll slices, cut individual lemon rolls in 1/2 inch slices. Makes 9 dozen slices.

Lemon Filling

1 cup sugar; 5 tablespoons cake flour; dash of salt; 2 egg yolks, slightly beaten; 3/4 cup water; 3/4 cup lemon juice; 1 teaspoon grated lemon rind; 2 teaspoons butter.

Combine sugar, flour, and salt in top of double boiler; add egg yolks, water, and lemon juice, mixing thoroughly. Place over boiling water and cook 10 minutes, stirring constantly. Add lemon rind and butter. Cool. Makes about 1 1/2 cups filling, or enough for two or three 9-inch layers, or two 8 x 9-inch layers (generously).
